

Colorado Regional Integrated Care Collaborative

What is the Colorado Regional Integrated Care Collaborative (CRICC)?

Colorado is one of several states participating in a national collaborative sponsored by the Center for Health Care Strategies (CHCS). CRICC is a partnership between the Department and the Center for Health Care Strategies (CHCS), local health plans and providers, consumer organizations and other stakeholders. The goal is to improve the quality of care received by Colorado Medicaid's highest-need, highest-cost clients by better coordinating the currently fragmented physical health, mental health, and substance abuse services.

Who is eligible?

Medicaid clients who:

- Are age 21 years and older;
- Are in the Aid to the Needy Disabled/Aid to the Blind (AND/AB-SSI) and Old Age Pensioners – Under Age 65 (OAP-B) eligibility groups;
- Are not eligible for Medicare; and
- Are a resident of one of the targeted counties.

Where is this program being offered?

- Arapahoe County
- Adams County
- Broomfield County
- Boulder County

Who will administer the program?

- Colorado Access

How does someone enroll?

- Passive enrollment

What are the benefits?

- Case management
- Care coordination
- Supplemental benefits

What is the enrollment limit?

- A maximum of 70% of all eligible clients in each county
